**Objective:** Dynamic computer scientist seeking a 2024 summer internship to contribute effectively to a team, leveraging technical skills and a passion for innovation.

## EDUCATION

Ongoing

### New Jersey Institute of Technology, Albert Dorman Honors College

- Bachelor of Science, Computer Science

## PROFESSIONAL & VOLUNTEER EXPERIENCE

Dec 2023 - Present

### NJIT Information Services & Technology Desk - *Service Desk Attendant*

- Assisted full-time staff in daily operations, addressing user queries, managing trouble tickets, and troubleshooting customer issues via phone and in-person interactions.
- Applied knowledge of computer hardware/software, Andrew File System, Webmail, Google apps, Microsoft Azure, and Office 365 to provide effective user assistance.
- Contributed as a pivotal point of contact at the central hub for computing information, aiding users in resolving issues and seeking help related to NJIT's computing technology

Mar 2023- Aug 2023

### Kode with Klossy - *Logistics & Operations Intern*

- Supported the admission, education, and alumni engagement of 5,000+ women and gender-expansive youth as they were introduced to computer science.
- Evaluated and determined 2,000+ scholarship applications for program eligibility, aligning selections with company values.
- Streamlined effective communication and information flow among key stakeholders, including Apple, Bloomberg, and Google, ensuring clarity and efficiency in program operations management.
- Refined and aggregated over 50,000+ attendance records to analyze and report high-level data trends to senior management, providing recommendations for improvements for the following year of programming.
- Authored user-friendly documentation and comprehensive training materials, significantly enhancing team efficiency in program operations and creating permanent records.
- Administered and organized a database of program contacts, enhancing data accuracy by implementing data cleaning and validation processes throughout the summer to reflect the status of contacts.

Jun 2022- Aug 2022

### Kode with Klossy - *Instructor Assistant*

- Instructed a cohort of 130+ young women and non-binary students aged 13-18 in HTML, CSS, and JavaScript coding languages, equipping them with essential skills and tools for the future.
- Facilitated with camp instructors to manage logistics and offer technical support, ensuring a seamless virtual learning experience for participants, while also nurturing a strong sense of community.

Jan 2018 - Present

### MyGOAL Inc - *Volunteer Program Assistant*

- Generated 220+ print and web-based promotional materials, including flyers, programs, and other content, while also actively managing social media accounts, significantly raising brand awareness by 24% on Facebook
- Designed promotional materials and successfully moderated a virtual bowl-a-thon that raised \$13,000 in donations, enhancing to increased awareness and support for the organization's cause.

## EXTRACURRICULAR ACTIVITIES

Nov 2023 - Present

### Undergraduate Student Advisory Council - *Student Representative*

- Established open communication between diverse peers and NJIT leadership, platforming students to have their needs addressed
- Collaborated with the Provost and Dean of Students to enhance the student experience across NJIT's academic landscape

Dec 2023 - Present

### Women in Computing Society - *Treasurer*

- Acted as a liaison between the Student Senate and WiCS executive board, offering regular updates during policy and bylaw adjustments.
- Oversaw budget allocation for a range of events, workshops, and conferences, ensuring efficient financial planning.
- Created detailed financial reports, promoting transparency and bolstering successful initiatives for women in computing and technology at NJIT.

Sept 2023 - Present

### National Society of Black Engineers - *Committee Member*

- Offered in-club tutoring services and fostered community building among NSBE members for the Academic Excellence Committee
- Mentored and tutored local high school NSBE chapters, aiding in their development and academic growth for the Pre-College Initiatives Committee

Jul 2019 - Jul 2023

### South Brunswick Commission on Women - *Volunteer/Student Commissioner*

- Coordinated the annual Women's Leadership Conference for 400 students between 8th - 12th grade
- Collaborated with elected commissioners to strategize and organize over 25 panels, fostering valuable networking opportunities for young women to connect with industry professionals.
- Orchestrated the annual Domestic Violence Awareness walk, collecting hundreds of pounds of donations for local women's shelters and sparked community discussions about Domestic Violence.
- Produced all promotional materials, including flyers and videos, for the Domestic Violence walk, website, and Women's Leadership conference, significantly enhancing the visibility and success of these events
